

# VIMTECH

## Freedom to drive.

Power more of the things you love in your car, light truck or SUV with VIMTECH Premium Power automotive batteries.

**VIMTECH® ADVANCED DESIGN  
MF AUTOMOTIVE BATTERY**

**Plus CALCIUM-SILVER**

*Battery Technologies of U.S.A*

### THE BATTERY THAT WILL POWER YOUR VEHICLE FOR THE LONG HAUL.

Enjoy the freedom to travel, explore and smile more with VIMTECH Automotive Maintenance Free Batteries featuring Calcium-Silver Technology. Highly-refined lead alloy decreases corrosion and reduces grid growth, while high performance separators reduce water loss and enhance cyclability. The result is an automotive battery that delivers maximum performance, giving you the ability to power more of your favorite things in your car, light truck or SUV.

### THE DIFFERENCE

- HIGHLY-REFINED LEAD
- EXPANDED GRID CONSTRUCTION
- MICRO-PROCESS CONTROLLED CURING
- CONTINUOUS PASTE MIXING TECHNOLOGY
- DRAMIC™ DURALIFE SEPARATORS
- PLATELOCK™ TECHNOLOGY
- JUST IN TIME BATTERY FORMATION

### ADVANTAGES

**BETTER PERFORMANCE**

**ENHANCED HEAT RESISTANCE**

**LONGER LIFE**

**STRONGER COLD CRANKING**

**HIGH CYCLING DURABILITY**
